Format of mens' divisions

The Committee feels that there is no particular pressure from clubs to change the format of the mens' divisions (in particular, to move to teams of 4) and noted that matches were, on the whole, played with full teams. That said, the Committee would welcome the views of clubs on this issue.

Please note that we will not vote on any changes discussed at the AGM. If there is any call for change, which the Committee feels has reasonable support from other clubs, it would be prepared to arrange a ballot over the Summer.

**Please endeavour to have someone from your club attend the
AGM**
